# 7 Key Topics

## 7 Key Topics to Understand

1. Covered Payroll Period
2. Cash Compensation
3. Salaries for owner-employee/self-employed/general partners
4. FTE Calculation
5. FTE Reduction Safe Harbors 1 and 2
6. FTE Reduction Exception
7. Eligible Payroll and Non-Payroll Costs

# 1. Covered and Alternative Covered Payroll Period

- **Covered Period** - begins on the date the loan proceeds are disbursed and ends 8 weeks (56) days from that date. If 24 weeks, it begins on the date the loan proceeds are disbursed and ends 24 weeks (168 days) from that date.
- **Alternative Period** – Borrowers with a bi-weekly or more frequent payroll schedule may elect the Alternative Period. Example: If the loan is disbursed on April 20 and the first day of the borrower's first pay period following the disbursement is April 26, then the first day of the Alternative Payroll Period is April 26.

## 2. Cash Compensation

For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of \$100,000, as prorated for the Covered Period. For an 8-week Covered Period, that total is capped at \$15,385 per employee. For a 24-week Covered Period, that total is capped at \$46,154 per employee.

### 3. Owner-Employee/Self Employed/General Partner

If a 24-week Covered Period applies, does not exceed 2.5 months' worth of 2019 compensation for any owner-employee or self-employed individual/general partner, capped at \$20,833 per individual; and • if the Borrower has elected an 8-week Covered Period, does not exceed 8 weeks' worth of 2019 compensation for any owner-employee or self-employed individual/general partner, capped at \$15,385 per individual.

## 4. Required FTE Calculation

For each employee, for the appropriate period (Covered or Alternative Covered)

1. Take the average number of hours paid per week, divide by 40, and round the total to the nearest tenth.
  - The maximum for each employee is capped at 1.0.
2. Or, simply assign a 1.0 for employees who work 40 hours or more per week and 0.5 for employees who work fewer hours

## 5a. FTE Reduction Safe Harbor 1

Provides a safe harbor from **reductions in forgiveness**, based on reductions in full-time equivalent (FTE) employees, for borrowers that are unable to return to the same level of business activity prior to February 15, 2020, due to compliance with requirements/guidance between March 1, 2020 and December 31, 2020 by the:

- Secretary of Health and Human Services
- Director of the Centers for Disease Control and Prevention
- Occupational Safety and Health Administration, related to worker or customer safety requirements related to COVID-19.

## 5b. FTE Reduction Safe Harbor 2

- If the Borrower reduced its FTE employee levels in the period beginning February 15, 2020, and ending April 26, 2020; and
- the Borrower then restored its FTE employee levels by not later than December 31, 2020 to its FTE employee levels in the Borrower's pay period that included February 15, 2020

## 6. The Six FTE Reduction Exceptions

For any employees who during the ... Covered Period

1. the Borrower made a good-faith, written offer to rehire an employee, which was rejected by the employee
2. were fired for cause
3. voluntarily resigned
4. voluntarily requested and received a reduction of their hours
5. Borrower made a good faith, written offer to restore any reduction in hours at the same salary or wages, but the employee rejected.
6. Borrower was unable to hire similarly qualified employees for unfilled positions by December 31, 2020.

- Any FTE reductions in these cases do not reduce the Borrower's loan forgiveness

## 7a. What is 'Payroll Cost'

Payroll costs consist of

- compensation to employees (whose principal place of residence is the United States) in the form of salary, wages, commissions, or similar compensation; cash tips or the equivalent (based on employer records of past tips or, in the absence of such records, a reasonable, good-faith employer estimate of such tips);
- payment for vacation, parental, family, medical, or sick leave;
- allowance for separation or dismissal;
- payment for the provision of employee benefits consisting of group health care coverage, including insurance premiums, and retirement;
- payment of state and local taxes assessed on compensation of employees;
- and for an independent contractor or sole proprietor,
  - wage, commissions, income, or net earnings from self-employment or similar compensation.

## 7b. Summary of Eligible Costs - Payroll

- Payroll costs paid and payroll costs incurred during the eight-weeks (56-days) Covered Period or 24-weeks (168-days) Covered Period (cannot exceed December 31, 2020).
  - Payroll costs are considered paid on the day that paychecks are distributed or the Borrower originates an ACH credit transaction.
  - Payroll costs are considered incurred on the day that the employee's pay is earned.
  - Payroll costs incurred but not paid during the Borrower's last pay period of the Covered Period are eligible for forgiveness if paid on or before the next regular payroll date.
    - Otherwise, payroll costs must be paid during the Covered Period.

## 7c. Summary of Eligible Costs Non-Payroll

- **Covered mortgage obligations:**
  - payments of interest (not including any prepayment or payment of principal) on any business mortgage obligation on real or personal property incurred before February 15, 2020
- **Covered rent obligations:**
  - business rent or lease payments pursuant to lease agreements for real or personal property in force before February 15, 2020
- **Covered utility payments:**
  - business payments for a service for the distribution of electricity, gas, water, transportation, telephone, or internet access for which service began before February 15, 2020
- Eligible nonpayroll costs cannot exceed 40% of the total forgiveness amount.
- Count nonpayroll costs that were both paid and incurred only once.

## Paycheck Protection Program PPP Loan Forgiveness Application Form 3508EZ

**By Signing Below, You Make the Following Representations and Certifications on Behalf of the Borrower:**

The Authorized Representative of the Borrower certifies to all of the below by **initialing** next to each one.

- \_\_\_\_\_ The dollar amount for which forgiveness is requested:
- was used to pay costs that are eligible for forgiveness (payroll costs to retain employees; business mortgage interest payments; business rent or lease payments; or business utility payments);
  - includes payroll costs equal to at least 60% of the forgiveness amount;
  - if a 24-week Covered Period applies, does not exceed 2.5 months' worth of 2019 compensation for any owner-employee or self-employed individual/general partner, capped at \$20,833 per individual; and
  - if the Borrower has elected an 8-week Covered Period, does not exceed 8 weeks' worth of 2019 compensation for any owner-employee or self-employed individual/general partner, capped at \$15,385 per individual.
- \_\_\_\_\_ I understand that if the funds were knowingly used for unauthorized purposes, the federal government may pursue recovery of loan amounts and/or civil or criminal fraud charges.
- \_\_\_\_\_ The Borrower did not reduce salaries or hourly wages by more than 25 percent for any employee during the Covered Period or Alternative Payroll Covered Period compared to the period between January 1, 2020 and March 31, 2020. For purposes of this certification, the term "employee" includes only those employees that did not receive, during any single period during 2019, wages or salary at an annualized rate of pay in an amount more than \$100,000.
- \_\_\_\_\_ The Borrower has accurately verified the payments for the eligible payroll and nonpayroll costs for which the Borrower is requesting forgiveness.

# Form 3508 EZ Certification

- \_\_\_\_\_ I have submitted to the Lender the required documentation verifying payroll costs, the existence of obligations and service (as applicable) prior to February 15, 2020, and eligible business mortgage interest payments, business rent or lease payments, and business utility payments.
- \_\_\_\_\_ The information provided in this application and the information provided in all supporting documents and forms is true and correct in all material respects. I understand that knowingly making a false statement to obtain forgiveness of an SBA-guaranteed loan is punishable under the law, including 18 USC 1001 and 3571 by imprisonment of not more than five years and/or a fine of up to \$250,000; under 15 USC 645 by imprisonment of not more than two years and/or a fine of not more than \$5,000; and, if submitted to a Federally insured institution, under 18 USC 1014 by imprisonment of not more than thirty years and/or a fine of not more than \$1,000,000.
- \_\_\_\_\_ The tax documents I have submitted to the Lender are consistent with those the Borrower has submitted/will submit to the IRS and/or state tax or workforce agency. I also understand, acknowledge, and agree that the Lender can share the tax information with SBA's authorized representatives, including authorized representatives of the SBA Office of Inspector General, for the purpose of ensuring compliance with PPP requirements and all SBA reviews.
- \_\_\_\_\_ I understand, acknowledge, and agree that SBA may request additional information for the purposes of evaluating the Borrower's eligibility for the PPP loan and for loan forgiveness, and that the Borrower's failure to provide information requested by SBA may result in a determination that the Borrower was ineligible for the PPP loan or a denial of the Borrower's loan forgiveness application.

# Form 3508 EZ Certification

In addition, the Authorized Representative of the Borrower must certify by **initialing at least ONE** of the following two items:

- \_\_\_\_\_ The Borrower did not reduce the number of employees or the average paid hours of employees between January 1, 2020 and the end of the Covered Period (other than any reductions that arose from an inability to rehire individuals who were employees on February 15, 2020, if the Borrower was unable to hire similarly qualified employees for unfilled positions on or before December 31, 2020, and reductions in an employee's hours that a borrower offered to restore and were refused).
- \_\_\_\_\_ The Borrower was unable to operate between February 15, 2020, and the end of the Covered Period at the same level of business activity as before February 15, 2020 due to compliance with requirements established or guidance issued between March 1, 2020 and December 31, 2020, by the Secretary of Health and Human Services, the Director of the Centers for Disease Control and Prevention, or the Occupational Safety and Health Administration, related to the maintenance of standards of sanitation, social distancing, or any other work or customer safety requirement related to COVID-19.

The Borrower's eligibility for loan forgiveness will be evaluated in accordance with the PPP regulations and guidance issued by SBA through the date of this application. SBA may direct a lender to disapprove the Borrower's loan forgiveness application if SBA determines that the Borrower was ineligible for the PPP loan.

# **The 8 Most Common FAQs**

## FAQ's

1. Are salary, wages, or commission payments to furloughed employees; bonuses; or hazard pay during the covered period eligible for loan forgiveness? **Yes**
2. Are advance payments of interest on mortgage obligations eligible for loan forgiveness? **No**
3. What effect does a borrower's reduction in employees' salary or wages have on the loan forgiveness amount? **in excess of 25 percent will generally result in a reduction in the loan forgiveness amount... the calculation is performed on a per employee basis, not in the aggregate.**

## FAQ's Cont'd

4. How should borrowers, seeking loan forgiveness account for the reduction based on a reduction in the number of employees ...  
...relative to the reduction relating to salary and wages ...?

**Example:**

- An hourly wage employee had been working 40 hours per week during the borrower selected reference period (FTE employee of 1.0)
- ... the borrower reduced the hours to 20 hours per week during the covered period (FTE employee of 0.5).
- ... there was no change to the employee's hourly wage during the covered period.
- Because the hourly wage did not change, the reduction in the employee's total wages is entirely attributable to the FTE employee reduction
- Therefore, the borrower is not required to conduct a salary/wage reduction calculation for that employee.

## FAQ's Cont'd

5. Can the Borrower switch from the 8 weeks covered period to the 24 weeks covered period?
  - Yes, but seek mutual agreement from the lender.

## FAQ's Cont'd

### 6. What is the Loan Forgiveness Process.....

- ... complete and submit the Loan Forgiveness Application... to lender.
- ... The lender has 60 days to ... issue a decision to SBA.
- ...SBA will deduct EIDL Advance Amounts from the forgiveness amount remitted to the Lender...
- If SBA determines ... that the borrower was ineligible ... the loan will not be eligible for loan forgiveness.
- In the case, the lender is responsible for notifying the borrower...

7. What effect does a reduction in a borrower's number of FTE employees have on the loan forgiveness amount?
- The borrower must first select a reference period:
    - (i) February 15, 2019 through June 30, 2019;
    - (ii) January 1, 2020 through February 29, 2020;
    - (iii) in the case of a seasonal employer, either of the two preceding methods or a consecutive 12-week period between May 1, 2019 and September 15, 2019.

## FAQ's Cont'd

8. Can the borrower apply for loan forgiveness before the end of the Covered Period?

Yes. A borrower may submit a loan forgiveness application any time on or before the maturity date of the loan – including before the end of the covered period – if the borrower has used all of the loan proceeds for which the borrower is requesting forgiveness. If the borrower applies for forgiveness before the end of the covered period and has reduced any employee's salaries or wages in excess of 25 percent, the borrower must account for the excess salary reduction for the full 8-week or 24-week covered period, as described in Part III.5.
